We commence your journey with exfoliating your body with the Mimosa Champagne Sugar Body scrub which is ultra hydrating and refining for all skins. We buff your skin to perfection with raw sugar cane granules which is infused with potent mimosa and grape seed oil to give deep hydration and nutrition. Known for its ancient healing properties grape seed contains high levels of anti-oxidants and hydrators to restore your skin leaving it soft and supple.

We then decadently coat your skin in our Coconut Cream Chocolate wrap. This coconut cream dream for the skin is ultra hydrating especially when combined with chocolate, nurturing with coconut, milk and oils leaving the skin feeling firmed, smoothed and more youthful. No Calories in this one!

Relax in this wrap with a di-vine scalp massage before being washed off with a gentle rain water cleanse for one, or alternatively wash off the excess in our petit geisha plunge with your friend on the balcony.

Come back inside and let every muscle be kneaded with our Di-Vine Mimosa Champagne Massage Oil. This Organic massage oil from Eminence Organics is designed to caress and protect the skin. The pairing of champagne and Tokay grapes leaves behind a healthy tone while grape seed oil moisturizes and soothes the skin to silky finish.

The perfect compliment to your body is a Di-Vine Eminence Organics Facial. We cleanse the skin with the coco-luscious Coconut Milk Cleanser which gently cleanses while nurturing your skin, created to comfort dry irritated skin and restore moisture balance.
